2015 SETHATAT

Two EBA students have won the 2015 SETHATAT award in the undergraduate division, a prestigious annual award instituted by the Bank of Thailand and granted to the best economic research papers in Thailand.

Mr. Kanin Peerawattanachart was awarded the second runner-up prize for his paper, "Administered Prices and Inflation Targeting in Thailand".

Ms. Tarathip Tangkanjanapas was awarded the consolation prize for her research paper entitled, “Equity Market Condition and Monetary Policy Stance in a Markov-switching Model”.

Both students completed their research papers under the direction of Dr. Pongsak Luangaram.
Congratulations !!!
