The 16th AUN and 5th ASEAN+3 Educational Forum and Young Speaker's contest

Rungravin Ghogar was one of the selected member to represent Chulalongkorn University out of 8 potential members from different faculties at The 16th AUN and 5th ASEAN+3 Educational Forum and Young Speakers contest that was held at Mahidol University from 7-11 November 2016.

He attended the Educational Forum which was a model of the ASEAN senior meeting and consisted of delegates from other Thai universities as well as other ASEAN+3 member countries. He was chosen as one of the six members in which he was the only Thai Delegate present to write a joint statement on behalf of all the other delegates, which would in the future be presented to prime minister of other member countries. The Joint statement represented the vision of the youth on the future of the member countries, which marked a historical value.
